A 5 Day FDP Program:

‘Sustainable Developments in Civil Engineering -The Future Scenario’

A 5 Day Faculty Development Program was organized from **4th to 8th February, 2021** at Chaitanya Engineering College by Civil Engineering Department. This was a 5 day Program, where the topics related to sustainable developments in civil engineering were discussed in detail by eminent and experienced resource persons from industry and academia. There were **25** external as well as internal participants from various institutes. The coordinator and co-coordinator of the FDP program were

Coordinator: Ms. A. Uma Maheswari

Co-coordinator: Mr. E. Vinay

Topics Covered were:

- * Structural Health Monitoring
- * Soil Reclamation
- * Low Carbon Construction Materials
- * Light Weight Structures
- * Pavement Geotechnics

The FDP was successfully completed with certificate distribution to participants by the dignitaries and a vote of thanks by the coordinator.

‘A 2 Day Administrative Development Program on MS-OFFICE’

A 2 Day Administrative development Program was organized from **4th to 5th December, 2020** at Chaitanya Engineering College by Computer Science and Engineering Department. This was a 2 day Program, where the latest topics related MS-OFFICE were discussed in detail by the faculty of the department for non-teaching staff. There were **15** participants in the program. The coordinator of the FDP program was

Coordinator: M. Aswani

Topics Covered were:

*MS WORD

*MS EXCEL

*MS POWER POINT

*MS ACCESS

*PREPARATION OF SAMPLE DOCUMENT

*PREPARATION OF POWER POINT PRESENTATION and EXCEL SHEET

The FDP was successfully completed with certificate distribution to participants by the dignitaries and a vote of thanks by the coordinator.

Report on
A 5 Day FDP Program:
‘Recent Trends In Signal Processing’

A 5 Day Faculty Development Program was organized from **15th to 19th April, 2021** at Chaitanya Engineering College by Electronics and Communication Engineering Department. This was a 5 day Program, where the latest topics related to Digital Signal Processing were discussed in detail by eminent and experienced resource persons from industry and academia. There were **20** external as well as internal participants from various institutes. The coordinator and co-coordinator of the FDP program were

Coordinator: Mrs D.Rajitha

Co-coordinator: Ms V.Pavani

Topics Covered were:

- Electronics engineering and signaling
- Systems engineering and signaling
- Applied mathematics and signaling
- Control systems signals
- telecommunication transmission signals
- analog and digital signals
- time varying measurement values & sensor data

The FDP was successfully completed with certificate distribution to participants by the dignitaries and a vote of thanks by the coordinator.
