CHAITANYA PRINCIPAL
ENGINEERING COLLEGE

OBJECTIVE:

A ONE Day Administration seminar will be conducted on culture entrepreneurship and it is defined as the values, beliefs, attitude and behavior of individuals within a society. These factors facilitate or obstruct the creation and management of enterprises and can be considered as the basic of a social culture environment

The objective of the program is -

- To generate new knowledge
- To gain familiarity
- To develop a new insight into some phenomenon
- It should contain a clear statement
- Explanation of the methodology adopted in accomplishing the research

TOPICS TO BE COVERED:

- Why is entrepreneurship culture important?
- What is entrepreneurship culture and its origin.
- Culture related to entrepreneurship
- Types of culture entrepreneurship
- Components of entrepreneurship

RESOURCE PERSON

DR. Y. YASWANTH, Asst. Prof GITAM institution engineering and technology, Visakhapatnam. He has published 5 SCOPUS journals and attended 1 international conference. Eight Years of experience. Education qualification pursued his M.A, MBA, PH. D degree in Andhra University.

ELIGIBILITY:

Faculty members of Engineering are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.500/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: principal@cec.ac.in on or before 20-02-2020. They must be submitted, in original, at the time of attending the program.

PROGRAM REPORT

DATE: 20-02-2020

One day seminar was conducted on “workshop on culture of entrepreneurship” on 20th February 2020 in seminar hall, ABDUL KALAM BLOCK. The session started with the arrival of speaker at 12:30 PM. The program ended with the speech of the principal. He thanked the chief guest and the staff for making the program grand success.

The main objective and the brief outcome of the seminar is as follows:

Objective of the Seminar:

- The main objective of this seminar to explore the different aspect of the Entrepreneurial culture that has been defined as the attitude, values, skills, and power of a group or individuals working in an institute or an organization to generate income.
- The seminar also shed a light on the success of any organization which directly affects the entrepreneurial culture.
- The detailed discussion was also another objective of the seminar so that the young entrepreneurs could easily grab the basic importance of the fundamental cultures which can rise to any organization to sky height level while its negative effect can demolish it also. So both negative and positive aspects were discussed.

Brief Outcome: In a nutshell, the outcome of the seminar can be given as follows:

- Since this is a really a profound topic to discuss thus it became developed a lots of cultural knowledge for young entrepreneurs.
- Question answer session on the different topic on Culture of entrepreneurship was really a brainstorming session which will definitely help them in their coming future.
- The both positive and negative effect of entrepreneurship culture was discussed therefore the young minds clearly allowed themselves to understand it a lucid manner regarding the excellent and worst outcomes of it, respectively. This will really help them to work successfully in any of the cultural well organized institutions.

PROGRAM REPORT

DATE: 21-11-2019

One day seminar was conducted on "Research methodology" on 20th November 2019 in seminar hall, ABDUL KALAM BLOCK. The session started with the arrival of speaker at 10:00 AM. The chief guest addressed us by valuable information on research importance, collection of papers, how to avoid plagiarism. The programme ended with the speech of the principal. He thanked the chief guest and the staff for making the programme grand success.

The main objective and the brief outcome of the seminar is as follows:

Objective of the Seminar:

- The principal objective of the seminar was to give an awareness on research methodology which is grossly defined as the systematic method to resolve a research problem through data gathering using various techniques, providing an interpretation of data gathered and drawing conclusions about the research data.
- The other objective of the seminar was to make the attendees to understand the different types of research methodology and how a research can be designed based on the information they might have
- By picking up a real example they were demonstrated the search solving ability so that they can understand it in lucid manner

Brief Outcome: In a nutshell, the outcome of the seminar can be given as follows:

- Since this was a really interesting topic related to the research that has a unique academic touch so this was a lots of inspiration of the young learners.
- Question answer session on the different topic on research methodology and the query of the young minds was really a brainstorming session which will definitely help them in theory coming future.
- Brief understanding of the topic help them to understand that interrelationship between research , various research tools and method floozies,
- It was a motivational talk for the budding researchers .Everyone attended the seminar came to know of different available research methodologies, new emerging research and thus creation of new knowledge was the fruitful outcome of this seminar.

INSTITUTION:

Established in 2002, Chaitanya Engineering College marks yet another effort on the part of the Chaitanya Group and is located in an over 50 acre naturally idyllic environment near Kommadi in Greater Visakhapatnam. It is approved by the All India Council for Technical Education (AICTE) and affiliated to JNT University, Kakinada. The institute is accredited by NAAC and NBA. The institute offers B.Tech. Courses in CSE, ECE, MECH, EEE and CIVIL. It also offers M.Tech. with specializations in Digital Electronics and Communication Systems, Computer Science and Engineering, Software Engineering, Machine Design, Structural Engineering and Power Systems.

The Institute is well equipped with advanced laboratories and highly qualified faculty. It regularly organizes events like seminars, workshops, FDPs, etc. for the benefit of students and the faculty so that they are abreast with the latest trends in Engineering and Technology.

OBJECTIVE:

A One Day Administration seminar will be conducted on critical entrepreneurship. Critical entrepreneurship questions the accepted norms and dominant assumptions of scholarship on the matter, and reveals how they can actually obscure important questions of identity, ideology, and inequality.

The objective of the program is -

- To gain familiarity
- To develop a new insight into some phenomenon
- It should contain a clear statement
- Explanation of the methodology adopted in accomplishing the research

TOPICS TO BE COVERED:

- Critical success factor of an entrepreneur
- Which Characteristics is critical for entrepreneurs to have
- What are critical elements that an entrepreneur must solve for success
- What are critical element of success
-

RESOURCE PERSON

Dr. S.KISHORE, Asst. Prof Lendi institution engineering and technology, vijayanagaram. 15 Years of experience. Pursued his M.A, MBA, PH. D degree in Andhra University.

ELIGIBILITY:

Faculty members of Engineering are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.500/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: principal@cec.ac.in on or before **18-10-2019** They must be submitted, in original, at the time of attending the program.

COORDINATOR:

Sri. P. Suresh
Assistant Professor, Department of ECE

PROGRAM REPORT

DATE: 19-10-2019

One day seminar was conducted on “workshop on critical entrepreneurship ” on 18th October 2019 in seminar hall, ABDUL KALAM BLOCK. The session started with the arrival of speaker at 10:00 AM.. He thanked the chief guest and the staff for making the programme grand success.

The main objective and the brief outcome of the seminar is as follows:

Objective of the Seminar:

- In the present scenario, the world is in the midst of a new wave of economic development with entrepreneurship and innovation as the catalysts. Therefore to compete here you need to have critical thinking while emerging as a young entrepreneurs. Therefore the basic objective of this seminar is to develop the critical thinking process which is basically a cognitive process that involves evaluating information, identifying assumptions, analyzing arguments, and drawing logical conclusions.
- To draw the direct attention onto topics which, though important or critical but have not been studied in sufficient depth
- In conjunction with research that seeks to identify factors that are crucial (or critical) for the success of entrepreneurial ventures was also another objective to develop in the young minds.

Brief Outcome: In a nutshell, the outcome of the seminar can be given as follows:

- Since this was a really an emerging topic thus it became a lots of inspiration for young entrepreneurs.
- Question answer session on the different topic on critical thinking was really a brainstorming session which will definitely help them in their coming future.
- The critical thinking was demonstrated by citing few examples which made them more aware about this topics
- The most important outcome of this seminar was that once it was over every young minds were able to speak about critical thinking by deriving their deep thoughts only which will help them to shape their career as a successful critical entrepreneur.

OBJECTIVE:

A ONE Day Administration seminar will be conducted on faculty development program on research methodology. Research methodology is a way of explaining how a researcher intends to carry out the research. Its a logical, systematic plan to resolve a research problem.

The objective of the program is -

- To generate new knowledge
- To gain familiarity
- To develop a new insight into some phenomenon
- It should contain a clear statement
- Explanation of the methodology adopted in accomplishing the research

TOPICS TO BE COVERED:

- 5 objectives of research
- Objective of research in research methodology mcq
- Types of research objectives

RESOURCE PERSON

DR. P. SANJEEV professor, department of management studies, specialisation in finance, 22 years of service. BABA institute of technology and sciences, Visakhapatnam. He has awarded doctorate from Andhra University
EMAIL-pksspsk@gmail.com

ELIGIBILITY:

Faculty members of Engineering are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.600/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: principal@cec.ac.in on or before 16-09-2019 They must be submitted, in original, at the time of attending the program.

PROGRAM REPORT

DATE: 17-09-2019

One day seminar was conducted on “faculty development programme on research methodology” on 16th September 2019 in seminar hall, ABDUL KALAM BLOCK. The session started with the arrival of speaker at 10:30 AM. The programme ended with the speech of the principal. He thanked the chief guest and the staff for making the programme grand success.

The main objective and the brief outcome of the seminar is as follows:

Objective of the Seminar:

- The principal objective of the seminar was to give an awareness on research methodology which is grossly defined as the systematic method to resolve a research problem through data gathering using various techniques, providing an interpretation of data gathered and drawing conclusions about the research data.
- The other objective of the seminar was to make the attendees to understand the different types of research methodology and how a research can be designed based on the information they might have
- By picking up a real example they were demonstrated the search solving ability so that they can understand it in lucid manner

Brief Outcome: In a nutshell, the outcome of the seminar can be given as follows:

- Since this was a really interesting topic related to the research that has a unique academic touch so this was a lots of inspiration of the young learners.
- Question answer session on the different topic on research methodology and the query of the young minds was really a brainstorming session which will definitely help them in theory coming future.
- Brief understanding of the topic help them to understand that interrelationship between research , various research tools and method floozies,
- It was a motivational talk for the budding researchers .Everyone attended the seminar came to know of different available research methodologies, new emerging research and thus creation of new knowledge was the fruitful outcome of this seminar.

OBJECTIVE:

A one day seminar is conducted on procedure of filing a patent. A patent is an exclusive right granted for an invention, which is a product or a process that provides in general a new way of doing something or offers a new technical solution to a problem.

The objective of the program is -

- To provide a right to an inventor
- To exclude others from exploiting the patented invention
- To stop others from copying, manufacturing, selling, or importing

TOPICS TO BE COVERED:

- How to fill a patent
- How to file any legal issues in case of copying, manufacturing
- Laws that are needed to be known before filing a patent

RESOURCE PERSON

B. V. R MURTHY (BAIRI). He pursued his M.A, B.A, and IRPM from Andhra University. He has been working as advocate from past 12 years. He has solved many civil and criminal cases. Reduced corporate reliance on external legal counsel, decreasing legal fees by over 60% annually.

ELIGIBILITY:

Faculty members of Engineering are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.425/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: principal@cec.ac.in on or before **23-08-2019** They must be submitted, in original, at the time of attending the program.

PROGRAM REPORT

DATE: 23-08-2019

One day seminar was conducted on "procedure of filing a patent" on 23th August 2019 in seminar hall, ABDUL KALAM BLOCK. The session started with the arrival of speaker at 10:00 AM. The chief guest addressed us by valuable information regarding process and the procedure for filing a patent and importance of having a patent. The programme ended with the speech of the principal. He thanked the chief guest and the staff for making the programme grand success.

The main objective and the brief outcome of the seminar is as follows:

Objective of the Seminar:

- The main objective of the seminar is to address the importance of the patent filing procedure in a proper way.
- Since after getting clarity over the invention, and patent search the inventor must make sure that the patent should be filed in a proper way in a govt patent office. Theorem the whole process was smoothly discussed was fulfilled another objective of the seminar. Therefore the clear understanding were trying to develop among the attendees regarding its huge importance.

Once everything was done then at the final stage govt to file the patent in any of the govt. patent office was also another objective to discuss

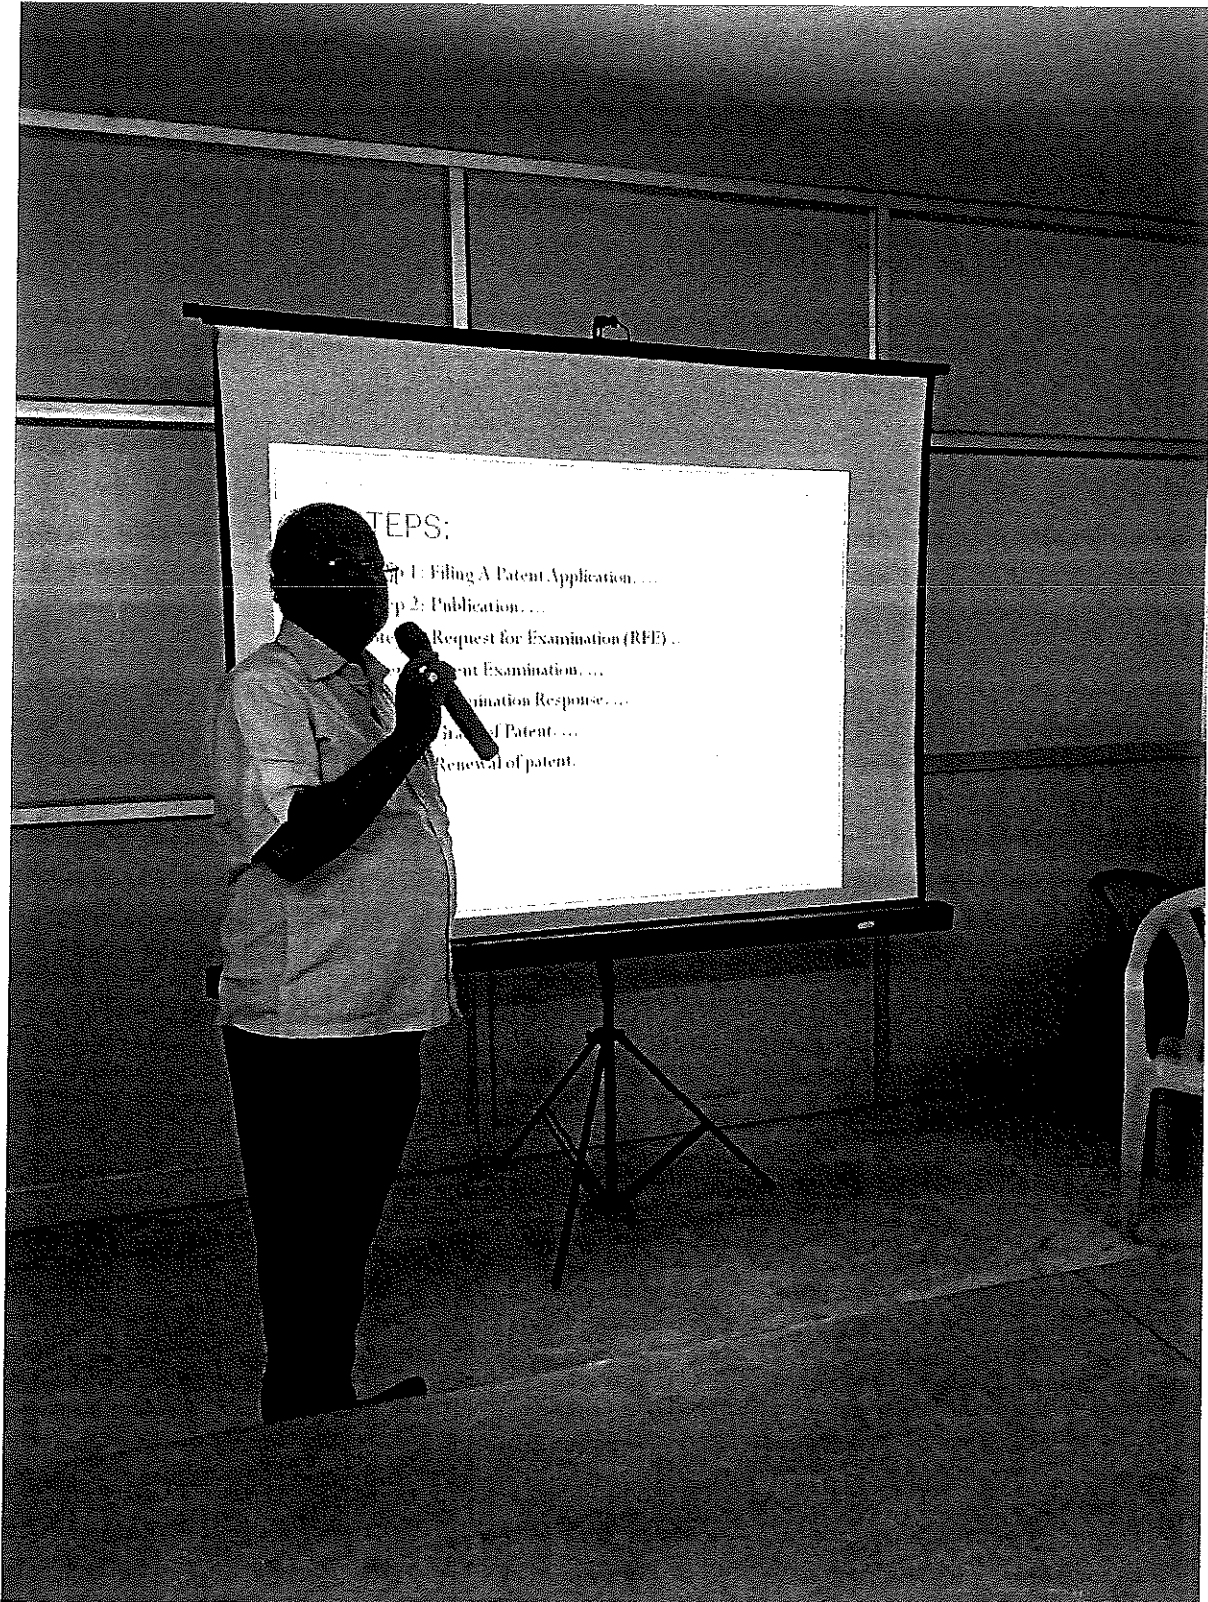

Brief Outcome: In a nutshell, the outcome of the seminar can be given as follows:

- Since this process is of paramount importance in today's invention and patentability world thus it developed a lots of interests among the attendees to learn it.
- Question answer session on the different aspect of this topic help them to understand the process nicely.
- In summary they got ample knowledge regarding the patent filing in a govt patent office and how some private patent office can help them during this process were also grabbed by them nicely.

INSTITUTION:

Established in 2002, Chaitanya Engineering College marks yet another effort on the part of the Chaitanya Group and is located in an over 50 acre naturally idyllic environment near Kommadi in Greater Visakhapatnam. It is approved by the All India Council for Technical Education (AICTE) and affiliated to JNT University, Kakinada. The institute is accredited by NAAC and NBA. The institute offers B.Tech. Courses in CSE, ECE, MECH, EEE and CIVIL. It also offers M.Tech. with specializations in Digital Electronics and Communication Systems, Computer Science and Engineering, Software Engineering, Machine Design, Structural Engineering and Power Systems.

The Institute is well equipped with advanced laboratories and highly qualified faculty. It regularly organizes events like seminars, workshops, FDPs, etc. for the benefit of students and the faculty so that they are abreast with the latest trends in Engineering and Technology.

PROGRAM REPORT

DATE: 15-07-2019

One day seminar was conducted on "BUSINESS ENVIRONMENT AND ENTRENEURSHIP" on 15th July 2019 in seminar hall, ABDUL KALAM BLOCK. The session started with the arrival of speaker at 11:00 AM. The chief guest addressed us by valuable information regarding latest technologies and how it is applied in entrepreneurship. The programme ended with the speech of the principal. He thanked the chief guest and the staff for making the programme grand success.

The main objective and the brief outcome of the seminar is as follows:

Objective of the Seminar:

- Since Cloud Technologies can Create A More Flexible Work Environment. Therefore these technologies are able to create a more flexible work environment that is important for entrepreneurs. These technologies reduce the need for an on-site office, allowing you to work from any location, including your home or mobile device. Therefore the main objective of the seminar is to address the importance of this necessary technologies which help them to shape their career in a better way than what it was before.
- To do a demonstration was also another objective of this seminar to better grab this technologies.

Brief Outcome: In a nutshell, the outcome of the seminar can be given as follows:

- Since this process is of paramount importance in today's technological world thus it developed a lots of interests among the attendees to learn it.
- Question answer session and demonstration on the different aspect of this topic help them to understand the process nicely.
- In summary they got ample knowledge regarding the cloud technology and how it can be a master tool for the entrepreneur to work more productively.

SITUATION:

Established in 2002, Chaitanya Engineering College marks yet another effort on the part of the Chaitanya Group and is located in an over 50 acre naturally idyllic environment near Kommadi in Greater Visakhapatnam. It is approved by the All India Council for Technical Education (AICTE) and affiliated to JNT University, Kakinada. The institute is accredited by NAAC and NBA. The institute offers B.Tech. Courses in CSE, ECE, MECH, EEE and CIVIL. It also offers M.Tech. with specializations in Digital Electronics and Communication Systems, Computer Science and Engineering, Software Engineering, Machine Design, Structural Engineering and Power Systems.

The Institute is well equipped with advanced laboratories and highly qualified faculty. It regularly organizes events like seminars, workshops, FDPs, etc. for the benefit of students and the faculty so that they are abreast with the latest trends in Engineering and Technology.

A One Day Seminar

on

“HOW TO SEARCH, DRAFT AND FILE PATENT”

07th JUNE 2019

Organized by

CHAITANYA ENGINEERING COLLEGE (CEC)
Kommadi, Madhurawada,
Visakhapatnam-530048
Andhra Pradesh, INDIA
visit us at www.cec.ac.in

PRINCIPAL
CHAITANYA ENGINEERING COLLEGE
Kommadi, Visakhapatnam - 530 048

OBJECTIVE:

A one day seminar is conducted on how to search draft and file patent. The process of filing a patent involves steps before the application forms are prepared. The first step is prior art search and second step is drafting of the patent specification. Many a time, companies and inventors question the value of a prior art search before filing the patent.

The objective of the program is -

- To help assess the patentability
- Expensive patent application process
- An exclusive right granted for an invention
- To get patent technical information about the invention.

TOPICS TO BE COVERED:

- Patent search and drafting
- Meant by patent filed
- Drafting a patent documents
- Who drafts patents
- How to draft a patent in india.

RESOURCE PERSON

Sri. Avala Nagabhusan Rao has pursued M.A, L.L.B from Andhra university, Visakhapatnam. He has been practicing since 10 years. He defined and develops legal policies and produces while advising on all major business transaction.

ELIGIBILITY:

Faculty members of Engineering are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.500/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: principal@cec.ac.in on or before 07-06-2019 They must be submitted, in original, at the time of attending the program.

PROGRAM REPORT

DATE: 08-06-2019

One day seminar was conducted on "how to search, draft and file patent" on 07th June 2019 in seminar hall, ABDUL KALAM BLOCK. The session started with the arrival of speaker at 11:00 AM. The chief guest addressed us by valuable information regarding how to search for patents, drafting, and how to file a patent. The programme ended with the speech of the principal. He thanked the chief guest and the staff for making the programme grand success.

The main objective and the brief outcome of the seminar is as follows:

Objective of the Seminar:

- The main objective of the seminar is to address the importance of the patent search, drafting and filing it in proper way.
- After getting clarity over the invention, the inventor must do a patentability search. This is important since it will help in understanding whether the invention is novel or not. All inventions must meet the novelty criteria under the Patents Act. Therefore the clear understanding were trying to develop among the attendees regarding its huge importance.
- Once everything was done then at the final stage grow to file the patent in any of the govt. patent office was also another objective to discuss

Brief Outcome: In a nutshell, the outcome of the seminar can be given as follows:

- Since this process is of paramount importance thus it developed a lots of crude knowledge among the attendees.
- Question answer session on the different aspect of this topic help them to understand the process nicely.
- In summary they got ample knowledge regarding the patent search, drafting and filing which would definitely help them in theory coming future.
