Centre of Excellence in Maritime & Shipbuilding (hereinafter referred to as "CEMS"), located at , Gandhi gram, Visakhapatnam – 530 005, India is a well-funded startup in skill development for imparting training with industry 4.0 focus on advanced Design, Automation, Manufacturing and Maintenance, Repair & Overhaul(MRO) domains which caters for all industrial sectors.. It is promoted by Indian Register of Shipping in partnership with Siemens and support from Sagarmala, Ministry of Shipping/ Govt. of India with an aim to provide globally relevant skilled technical manpower in the latest manufacturing technologies for ship building/repair and high end manufacturing sectors.

CEMS is a dedicated Centre for facilitating professional development and skill enhancement in maritime, infrastructure and manufacturing sectors. It is aimed to build competency in manufacturing industry with industry 4.0 focus by imparting right skills and create skilled manpower pool to cater to current and future industrial landscape of the country, thereby providing better employment opportunities to students and work force.

AND

CHAITANYA ENGINEERING COLLEGE, (hereinafter referred to as CEC (Chaitanya Valley, Kommadi, Madhurawada, Visakhapatnam-530 048.) CEC with a motto of providing quality engineering education in a highly disciplined environment with international standards, along with character building of students who will be able to stand up to the challenges of the present employment market with a vision to foster prosperity through technological development by means of education, innovation and collaborative research and emerge as a premier technical institution.. The mission to provide quality education of international standards for producing technocrats and future leaders in a disciplined and conducive environment as an integral part of our social commitment to promote education globally. CEC is a pioneering Institution of Higher Education in India with Potential for Excellence by the UGC. The portal of this great temple of learning has welcomed intellectual, cultural and social giants from the length and breadth of the Country who left indelible footprints on the sands of time making CEC a proud alma-mater.

AND TOGETHER HEREAFTER REFERRED AS PARTIES

Whereas the first party CEMS, Visakhapatnam, will provide above 50 courses across 18 specializations; covering 770 modules out of which 271 will be tools and algorithm based courses while 500 will be process and sector based.

And whereas the second party CEC, is an Educational Institution providing education in various U.G and P.G programmes including certificate courses in Engineering. It has the vision and mission to impart quality education of International standards with a major focus on conducting skill development and outreach programmes.

GENERAL Agreement

In order to facilitate industry-institute interaction for technical advancement, to develop academic and industrial relationships and support collaborative research activities, CHAITANYA ENGINEERING COLLEGE, hereinafter addressed as CEC and Centre of Excellence in Maritime & Shipbuilding, hereinafter addressed as CEMS, agree to establish this Memorandum of Understanding (MOU) as a framework for cooperative programs.

ARTICLE I

Faculty Visits and Training

It is agreed that linkages will be strengthened by visit of faculty from CEC to CEMS and CEMS faculty to CEC. The purpose of these visits by the faculty is primarily to facilitate the following:

- * Training of CEC faculty by member of CEMS on Design, Advanced Manufacturing and as well as on Automation and MRO
- * Training and exposure of faculty with focus on Industry 4.0 Skills
- * Assist faculty and students of CEC for project studies.

Arrangements for each such visit will be made by CEC. Purpose, timing and other details concerning these exchanges and short visits in this regard shall be mutually acceptable to both the institutions. It is agreed that information concerning the purpose and duration of the visit by the faculty, the proposed topics of study, details of the personnel visiting and any further details, as required, will be provided to CEMS by CEC at least two weeks prior to the proposed visit.

CEMS will be Conducting Orientation Programs to Faculty Free of Cost and Faculty Development Training in various domains will be at mutually agreed cost.

ARTICLE II

Student Training

Further to the above, it is also agreed that CEMS will support and facilitate visits of groups of students from CEC. The purpose of these visits by the students is as follows:

- * Industrial visits at III year level to study and understand functioning of an industrial establishment
- * Industrial visit at III year level to undertake mini-projects and pilot studies for full-fledged projects
- A. As in the case of Article I, arrangements for each such visit will be made by CEC in the form of formal letters seeking permission as well as the convenience of CEMS to send the student groups. Purpose, timing and other details concerning these exchanges shall be mutually acceptable to both the institutions. It is agreed that information concerning the number of students visiting, duration of the visit, the proposed topics of study and any further details, as required, will be provided to CEMS by CEC at least two weeks prior to the proposed visit.

CHAITANYA ENGINEERING COLLEGE, (CEC) agreed to send minimum 100 students in a academic year for Training & Industrial Programs from Engineering and Diploma (Mech, EEE, Electronics, CSE, IT, Automobile, Civil) to CEMS on chargeable basis. CEMS will charge course fees for conducting various courses will be decided mutually. The course fees will include training fees and cost of consumables used for training. Cost of Raw Material required for projects, where applicable will be borne by the Students. Study material soft copy will be provided to the trainees. The trainees will have access of the Presentations for 90 days from course commencement. Accommodation, if needed by the students can be arranged in CEMS hostel at a nominal fees. The accommodation is sharing type and can be made available on prior intimation only.

A. Trainings available for Diploma Students on various technologies available at CEMS Centre's.

- * Short term courses
- * Diploma & Certificate courses
- * Weekend / semester vacation courses
- * Training for pass out students.
- * Faculty Development Program at CEMS Visakhapatnam.

ARTICLE III

Courses: Seminars, Workshops, Refresher Courses

It is agreed that CEC will arrange periodic seminars, workshops and refresher courses in collaboration with CEMS. The purpose of these courses is to facilitate and maintain on-going Industry-Institute Interaction as well as provide a forum for faculty of CEC as well as those of institutions in the vicinity to discuss on topics of current interest both to CEC as well as CEMS. Experts from CEMS as well as faculty from CEC with significant exposure in the topic of interest will coordinate and conduct these courses.

Arrangements for such courses will be made by CEC in keeping with the convenience of experts from CEMS. Purpose, timing and other details concerning these courses shall be mutually acceptable to both the institutions. It is agreed that information concerning the duration of the visit, the proposed topics of the course and any further details, as required, will be mutually discussed by CEC with CEMS by CEC at least one month prior to the schedule of the course or workshop.

ARTICLE IV

Cooperative Research

It is anticipated that significant opportunities, of which a few have been identified, exist for cooperative research between CEC and CEMS. Such clearly beneficial activities may require specific arrangements. In view of the importance of cooperative research, CEMS will provide necessary support to visiting faculty from CEC to study research problems at CEMS. Such problems will be analyzed and solutions suggested by CEC.

ARTICLE V

Competence in Consultancy

It is also anticipated that significant opportunities exist for taking up consultancy works with industries. CEC has state-of-the-art equipment ideally suited to taking up consultancy work for industries in the area of materials testing, machinability testing, fabrication of complicated parts, dynamic testing or equipment etc. CEMS will provide necessary assistance and guidance to CEC to develop such consultancy capabilities initially by working on challenges faced by CEMS and later extending the expertise gained to other industries.

ARTICLE VI

Exchange of Scientific Materials

Both the collaborating parties agree to exchange as widely as is practicable such items as scientific publications and journals, college calendars, prospectuses, text books, course outlines and reference materials that may be necessary and of use to either party.

ARTICLE VII

Duration of Memorandum of Understanding

The effective date of this MOU shall be 02 Sep 2011. The MOU shall extend for a period of 1 (one) years and may be renewed upon mutual written agreement. The MOU may be modified by mutual written agreement. The MOU may be terminated by either CEMS or by CEC with notification to the other party six months prior to the effective date of termination.

ARTICLE VIII
Indemnification

Centre of Excellence in Maritime & Shipbuilding (CEMS) and CEC shall each indemnify and hold harmless the other, its faculty/officers, agents and employees, for any and all liability, damages and costs attributable to the negligent acts or omissions of the indemnifying party, its faculty/officers, agents and employees while acting in the scope of their employment and in furtherance of activities described in this Memorandum of Understanding.

ARTICLE IX
Liability Insurance

Each party shall maintain its own insurance in amounts deemed appropriate for its operations. Such insurance shall provide coverage for negligent acts, errors, or omissions and provide protection against bodily injury or property damage claims. It is expressly understood that each party shall be solely responsible for its own actions and such insurance shall not extend to protect any other party.

ARTICLE X
Conduct

Each party shall abide by the rules and regulations of the host institution especially in regard to visits by the faculty/students of CEC to CEMS.
