Circular

This is to inform that Mr. A. V. Raghunatha Reddy will be conducting a session in the Chaitanya engineering college for the benefit of final year students. Details of the session are as follows:

Topic: Basics about GATE
Resource Person: Mr. A. V. Raghunatha Reddy
Date: 12/09/2022
Time: 10AM
VENUE: Abdul kalam block seminar hall
Attendees: Final Year Students
Learning: GATE exam pattern

ACTIVITY REPORT

Name of the Activity: Basics about GATE
Date: 12-09-2022
Resource Person: Mr. A. V. Raghunatha Reddy
Coordinator Name: Mr. V Rajesh
Time: 10Am
Venue: Abdul kalam block seminar hall

BASICS ABOUT GATE

This is to inform that Mr. A. V. Raghunatha Reddy has conducted a session on "Basics about GATE" in the Chaitanya Engineering College on 12-09-2021 for the benefit of Pre final & final year students. (Graduate Aptitude Test Examination) is a national level entrance exam conducted in India for admission into postgraduate pharmacy programs. The Engineering section in GATE includes topics such as general Engineering Mathematics, Aptitude, Verbal Aptitude of CSE, ECE, MEC, EEE, CIVIL, among others.

1. Numerical Ability: This section tests your ability to solve mathematical problems and perform basic arithmetic operations. It includes questions on algebra, geometry, trigonometry, and arithmetic.
2. Reasoning: This section tests your ability to analyze and solve logical and abstract problems. It includes questions on puzzles, data interpretation, and logical reasoning.
3. Data Interpretation: This section tests your ability to understand and interpret data presented in tables, graphs, and charts.

ACTIVITY REPORT

Name of the Activity: FAQ's on PGE CET
Date: 20-10-2022
Resource Person: Mr. K. Sanjay Kumar
Coordinator Name: Mr. V Rajesh
Time: 10Am
Venue: Visvesvaraya block room no v_203 simulation lab

"FAQ'S ON PGE CET"

This is to inform that Mr. K. Sanjay Kumar from ORIGIN Engineering Academy, will be conducting a session "FAQ's on PGE CET" at Chaitanya Engineering College on 20-10-2022 for the benefit of Pre final & final year students. When you have limited time in hand for PGE CET 2023 exam preparation, each day counts. To utilize each day in the right way, create an hourly plan. Pick up the hard topics or in other words, topics in which you lack confidence in the first week. Divide the topics into two halves

Make a plan that you do not have to regret following or demand a cheat day after following it for certain days. Do not consult your friends while preparing your study plan. No two individual is alike. Create by understanding your individual information intake capacity and picking up topics for each day. If you are confident to cover more than two topics in a day, go for it. Schedule at least two hours to practice one sample paper each day to self-analyze your preparation level.

OVERVIEW ON APTITUDE TOPIC COVERED IN GATE.

This is to inform that Mr. R. Naveen will be conducting a session in the Chaitanya Engineering College on 14-12-2022 for the benefit of Pre final & final year students.

Verbal Ability: This section tests your ability to understand and analyze written communication in English. It includes questions on grammar, vocabulary, comprehension, and critical reasoning.

1. **Numerical Ability:** This section tests your ability to solve mathematical problems and perform basic arithmetic operations. It includes questions on algebra, geometry, trigonometry, and arithmetic.
2. **Reasoning:** This section tests your ability to analyze and solve logical and abstract problems. It includes questions on puzzles, data interpretation, and logical reasoning.
3. **Data Interpretation:** This section tests your ability to understand and interpret data presented in tables, graphs, and charts.

AWARENESS ON IMPORTANT TOPICS IN CAT

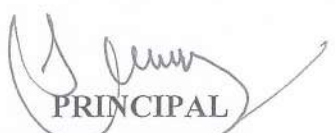

This is to inform that Mr. K. Manohar has conducted a session on "Awareness on important topics in CAT" at Chaitanya Engineering College on 10-02-2023 for the benefit of Pre final & final year students. Around 2 Lakh aspirants appear for CAT every year. The competition is always high. Know the important topics for CAT to gain an edge over others.

The Common Admission Test (CAT) is one of the three extremely guarded entrances that as an MBA aspirant, you will have to overcome to get into any B-school of your dreams. The difficulty level of the exam will mostly depend on your level of preparation and mastery over the underlying concepts across the three sections of the CAT exam: Verbal Ability and Reading Comprehension (VARC), Data Interpretation and Logical Reasoning (DILR), and Quantitative Aptitude (QA). Since its inception, CAT has never had a predefined syllabus. However, certain questions are repeated every year. Therefore, a careful analysis of the most recent CAT papers can give an idea of the topics that have a high probability of having a good weightage in CAT.

REPORT ON CAREER OPPORTUNITIES INTO CAD CODING

This is to inform that Mr. Vijay.R has conducted a session on “report on career opportunities into cad coding” at Chaitanya Engineering College on 12/09/2022 for the benefit of Pre final & final year students. Vijay recently conducted a session on Basics on CAD-coding, where he highlighted the importance of understanding coding languages and software tools to automate the design process. According to Vijay's point of view, CAD-coding can be a powerful tool for engineers and designers to increase productivity and efficiency in their work. He emphasized that learning the basics of coding languages like Python and Java can be the starting point for developing customized scripts for CAD software like AutoCAD and SolidWorks. Vijay also explained the importance of being familiar with the CAD software's API, which provides a platform for developing software tools that can automate the design process. In his session Overall, Vijay believes that mastering CAD-coding can open up new career opportunities in areas such as software development and automation engineering and recommends that engineers and designers start by learning the basics and practicing through online resources and forums.

REPORT ON CAREER INTO DATA SCIENCE

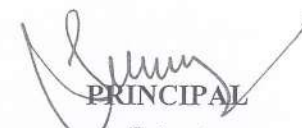

This is to inform that Department of Computer Science Engineering Invites Mr. S. Ashish from GrafX-IT Solutions to Conduct a Session "Career into DATA SCIENCE" at Chaitanya Engineering College on 20/10/2022. On his Lecture some of the key notes are like Data science is one of the most popular career options for students, especially those pursuing a bachelor's degree. It is also one of the most sought-after courses in universities today. If you just want some ideas on how to write a personal statement for data science, then this article is for you. The Data Science aims to identify the most significant datasets to answer the questions asked by the companies, elaborate them to extract new data related to behaviors, needs, and trends that are the basis of the data-driven decisions of their managers.

The data thus identified can help an organization contain costs, increase efficiency, recognize new market opportunities, and increase competitive advantage.

REPORT ON LIFE IN IIT'S & NIT'S

This is to inform that CEC has Invited Mr. S. Hari Babu, Scientist [E] IGRAC, to deliver a session "Life in IIT's & NIT's" at Chaitanya Engineering College on 14/12/2022 for the benefit of Pre final & final year students.

As an engineering student, Reddy knows that getting into the prestigious Indian Institutes of Technology (IITs) or Indian Institutes of Management (IIMs) is a highly competitive process. From his perspective, he believes that it takes a combination of hard work, dedication, and strategic planning to increase his chances of success. Reddy emphasizes the importance of maintaining excellent academic records and preparing for the entrance exams by following a structured study plan. He also understands that IIMs value communication and leadership skills and advises students to develop these skills by participating in extracurricular activities and gaining work experience. Reddy believes that focusing on one's strengths and tailoring the application to fit the requirements of the institutes is crucial to stand out in the selection process. Overall, Reddy acknowledges that getting into IITs or IIMs from an engineering background is not easy but believes that with determination and persistence, anyone can achieve their dream.

Circular

This is to inform that Mr. K. Sai Vamsee will be conducting a session on "Career Opportunities in IOT" at Chaitanya Engineering College for the benefit of final year students. Details of the session are as follows:

Topic: Career Opportunities in IOT

Resource Person: Mr. K. Sai Vamsee

Date:10/02/2023

Time: 2:00PM

VENUE: Visvesvaraya block room no v_203 simulation lab

Attendees: Dept of ECE & CSE

Learning: Orientation on IOT

Copy to:

All HODs – to be circulated among your IV Year students.

ACTIVITY REPORT

Name of the Activity: REPORT ON CAREER OPPORTUNITIES IN IOT

Date: 10-02-2023

Resource Person: Mr K. Sai Vamsee

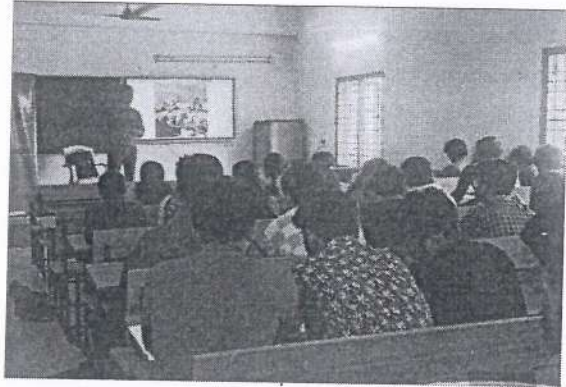

Coordinator Name: Ms. Pavani

Time: 2:00 PM

Venue: Visvesvaraya block room no v_203 simulation lab

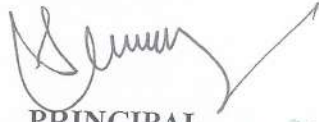

REPORT ON CAREER OPPORTUNITIES IN IOT

This is to inform that K. Sai Vamsee from Smart IoT Tribe Academy, has conducted a session on "Career Opportunities in IOT" on 10-02-2023 for the benefit of CSE & ECE students. K. Sai Vamsee gave an informative session on the Basics of IoT in the automobile industry. He explained how IoT is becoming a game-changer for the industry by enabling cars to be more connected, intelligent, and efficient. K. Sai Vamsee elaborated on how IoT technology is being used in the industry to create smart cars that can communicate with each other and their environment. He also talked about how IoT can improve safety, reduce costs, and provide better user experiences for drivers and passengers. Overall, Vamsee's session provided a great overview of the potential of IoT in the automobile industry and how it can transform the way we drive and interact with our vehicles.
