Circular

This is to inform that Mr. K. Rahul Sharma will be conducting a session in the Chaitanya Engineering college for the benefit of final year students. Details of the session are as follows:

Topic: Awareness Program on PGECET

Resource Person: Mr. K. Rahul Sharma

Date: 16/09/2020

Time: 10AM

VENUE: Abdul kalam block seminar hall

Attendees: Final Year Students

Learning: PGECET exam pattern

Copy to :

All HODs – to be circulated among your IV Year students.

ACTIVITY REPORT

Name of the Activity: Awareness Program on PGE CET

Date: 16-09-2020

Resource Person: Mr K. Rahul Sharma

Coordinator Name: Mr. K Srikanth

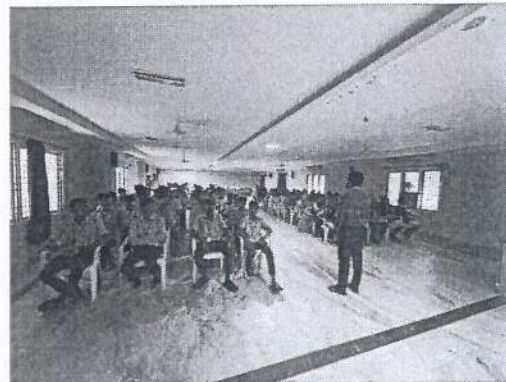

Time: 10Am

Venue: Abdul kalam block seminar hall

AWARENESS PROGRAM ON PGE CET

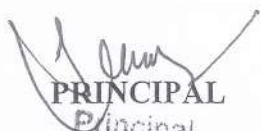

This is to inform that Mr K. Rahul Sharma from ORIGIN Engineering Academy, conducted a session at Chaitanya Engineering College on 16-09-2020 for the benefit of Pre final & final year students. When you have limited time in hand for PGE CET 2021 exam preparation, each day counts. To utilize each day in the right way, create an hourly plan. Pick up the hard topics or in other words, topics in which you lack confidence in the first week.

Make a plan that you do not have to regret following or demand a cheat day after following it for certain days. Do not consult your friends while preparing your study plan. No two individual is alike. If you are confident to cover more than two topics in a day, go for it. Schedule at least two hours to practice one sample paper each day to self-analyze your preparation level.

AWARENESS ON HIGHER EDUCATION

This is to inform that Mr. N. Gowtham has conducted a session on “Awareness on Higher Education” at Chaitanya Engineering College on 22-02-2021 for the benefit of Pre final & final year students. PGECET (Post Graduate Common Entrance Test) is a competitive exam conducted for admission into postgraduate courses such as MBA, M.Tech, MCA, ME, and other courses offered by various universities and colleges in India. Here are some tips to help you prepare for the PGECET exam:

>>Solve previous year question papers: Solving previous year question papers is an excellent way to understand the types of questions asked in the exam and to get familiar with the exam pattern.

>>Practice mock tests: Practice mock tests regularly to assess your preparation level and identify your weak areas. This will help you improve your speed and accuracy during the actual exam.

FAQS ON CAT EXAM

This is to inform that Mr. K. Manohar has conducted a session on “**FAQs on CAT Exam**” at Chaitanya Engineering College on 07-04-2021 for the benefit of Pre final & final year students. CAT (Common Admission Test) is a competitive exam conducted for admission into postgraduate courses such as MBA, by IIM's and various universities and colleges in India. Here are some tips to help you prepare for the CAT exam:

>>Solve previous year question papers: Solving previous year question papers is an excellent way to understand the types of questions asked in the exam and to get familiar with the exam pattern.

REPORT ON AWARENESS PROGRAM IOT

This is to inform that G. Praneeth from Smart IoT Tribe Academy, has conducted a session on "Awareness Program IOT" on 16/09/2020 for the benefit of CSE & ECE students. G. Praneeth gave an informative session on the Basics of IoT in the automobile industry. He explained how IOT is becoming a game-changer for the industry by enabling cars to be more connected, intelligent, and efficient. Praneeth elaborated on how IOT technology is being used in the industry to create smart cars that can communicate with each other and their environment. He also talked about how IoT can improve safety, reduce costs, and provide better user experiences for drivers and passengers. Overall, Praneeth's session provided a great overview of the potential of IoT in the automobile industry and how it can transform the way we drive and interact with our vehicles.

Time: 1:30 PM
Venue: Mechanical Workshop

REPORT ON AWARENESS PROGRAM ON NDT

This is to inform that Y. Abhijeet has conducted a session on "Awareness Program on NDT" at Chaitanya Engineering College Conducted by Department of Mechanical Engineering on 22/02/2021. Y. Abhijeet shared his perspective on the various opportunities available in this NDT field. From his point of view, a career in Non-Destructive Testing can be a fulfilling and rewarding one, as it involves the Testing of physical products from raw materials. He highlighted the importance of having a strong foundation in engineering principles and practical skills such as welding, machining, and fabrication, which are essential for success in this field. Abhijeet also discussed the various job roles available in workshop and production, ranging from Quality Testing Engineer to Quality Inspector. Abhijeet believes that a career in NDT can provide opportunities for career growth and advancement, and he encouraged participants to pursue internships and apprenticeships to gain hands-on experience in this field. Overall, Abhijeet's session provided valuable insights into the world of NDT Inspection, production and highlighted the potential for a fulfilling career in this Field.

REPORT ON CAREER OPPORTUNITIES INTO CAD CODING

This is to inform that Mr. K. Virat has conducted a session on “report on career opportunities into cad coding” at Chaitanya Engineering College on 07/04/2021 for the benefit of Pre final & final year students. Vijay recently conducted a session on Basics on CAD-coding, where he highlighted the importance of understanding coding languages and software tools to automate the design process. According to Vijay's point of view, CAD-coding can be a powerful tool for engineers and designers to increase productivity and efficiency in their work. He emphasized that learning the basics of coding languages like Python and Java can be the starting point for developing customized scripts for CAD software like AutoCAD and SolidWorks. Vijay also explained the importance of being familiar with the CAD software's API, which provides a platform for developing software tools that can automate the design process. In his session Overall, Vijay believes that mastering CAD-coding can open up new career opportunities in areas such as software development and automation engineering and recommends that engineers and designers start by learning the basics and practicing through online resources and forums.
