WOMEN EMPOWERMENT GRIEVANCE & REDRESSAL CELL

OUTCOMES:

1. The chairperson discussed the cell's Objective and functionality, which is to provide appropriate working conditions in terms of work, leisure, health and hygiene in order to further ensure that there is no hostile environment towards women at work. The cell will investigate all individual complaints and take appropriate action as soon as possible.

The cell will assist in taking preventive measures in the case of challenges of female students.

2.the major finding revealed that colleges related factors such as distance from home to college early,marriage,poverity,socio economics factors,socio culture factors,lack of female teachers in college,parents's lack of education,burden in domestic activities etc.

3.apart from it,womenplay a key role in the socio economic development and the role of girl in the society.

4.in terms of grievance complaints,the members discovered that not a single grievance was brought to the committees attention during the session,implying that redressal is nil.

The meeting concluded with a vote of thanks to all attendees.
