The Management, staff and students of Chaitanya Engineering College celebrated "SankranthiSambaralu" in the college premises on 12 th January 2023. The students dressed in their traditional best decorated the premises with Rangoli and took part in various activities. The entire college wore a colorful look with Rangolies. Students decorated the Rangolies by keeping "Gobemmas" at the centre of Rangolies. The initiative was appreciated by Dr. K suresh, Principal of the college and in his Sankranthi wishes message he addressed the students, to fly high on their Dreams and aspirations like a kite, but stay grounded on your values like the string that holds the kite. In the view of "SankranthiSambaralu" celebrations the college organized competitions in Student category and Faculty category, and distributed Prizes to the Winning Teams.
