REPORT

DATE: 06.06.2018

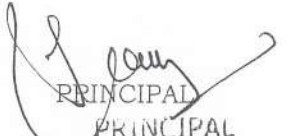

The aim behind organising the program were to give awareness to people about keeping environment clean and safe from pollution and the importance of planting more trees to purify the air. A greener environment always ensures a better place for everyone. We must always try to protect our environment and keep it clean. The activities organized were planting saplings in the campus.

The Incharge principal, Dr K Suresh inaugurated the program by planting saplings in the college followed by the faculty members. The Academic Dean appealed all students to be responsible future citizen and conserve the environment. He also explained the importance of taking measures to protect the environment on a daily basis. The remaining saplings were distributed among students.

The program followed by the List of competitions related to world environment

The ceremony began with prayer at 9:00 am. After that, various programs were organized one after the other. One of which was a performance where a group of students presented a beautiful play on the theme of Christmas. After that, a Lecturer gave a detailed speech on why we celebrate Christmas. After all the programs were over, the principal sir came on stage and gave participation certificates to some students who participated in singing competition. Along with this, the principal sir wished everyone a very happy Christmas and also gave a short speech.

The Management, staff and students of Chaitanya Engineering College celebrated "SankranthiSambaralu" in the college premises on 12th January 2018. The students dressed in their traditional best decorated the premises with Rangoli and took part in various activities. The entire college wore a colorful look with Rangolies. Students decorated the Rangolies by keeping "Gobemmas" at the centre of Rangolies. The initiative was appreciated by Dr. K Suresh, Principal of the college and in his Sankranthi wishes message he addressed the students, to fly high on their Dreams and aspirations like a kite, but stay grounded on your values like the string that holds the kite. In the view of "SankranthiSambaralu" celebrations the college organized competitions in Student category and Faculty category, and distributed Prizes to the Winning Teams.

Chaitanya Engineering College had organized a grand program on the occasion of this Republic Day. Everyone was feeling very happy that day because it was a matter of great pride for all of us because on 26 January 1950 the constitution of India came into force and our country, India became a republic. The program started with prayer at 9:00 am. After that, flag hoisting took place on the college grounds as usual. The Principal of our college hoisted the national flag and gave a motivational speech. This was followed by some speeches on patriotism and singing the national anthem. Few students also did different types of programs. All the students were dressed in traditional costumes representing different parts of India. In the end, the program was concluded by distributing sweet boxes to all the students.

The purpose of celebrating Women's Day is - To raise awareness about the status and dignity of women among the students. An essay writing competition on Women's day was been conducted in morning and many of the students had participated for that. It was interesting to know that boys have also participated for it. After the completion of essay writing competition, a short program was conducted in the multipurpose hall of our college. At the beginning of program our respected Principal sir Mr. K Suresh gave a short speech on Women's day. At the end, prize distribution for the winners of essay writing and poster presentation competition was done.
