OBJECTIVE:

This Faculty Development Programme is intended to inculcate the importance of ethical hacking and cyber security and create awareness about various types of threats, misuse, leakage and theft of data. This FDP is intended for faculty members, research scholars who have interest in related research areas. The resource persons for the FDP will be drawn from nearby experienced faculty/industry personnel.

TOPICS TO BE COVERED:

- Intro to Ethical Hacking
- Foot-printing and Reconnaissance
- Scanning networks
- Enumeration
- Vulnerability Analysis
- System Hacking
- Malware Threats
- Sniffing

ELIGIBILITY:

Faculty members of Engineering approved by AICTE / PG students are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.900/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: trinr1987@gmail.com on or before **27-12-2020**. They must be submitted, in original, at the time of attending the program

OBJECTIVE:

This FDP on "Recent trends in Signal Processing" is to explore various recent research areas of signal processing. The aim of this five-day FDP is to train and orient the teaching faculty members to latest topics of signal analysis, signal processing techniques in biomedical, speech signals etc which will be helpful to them in their graduate education leading to a research and development oriented career. This FDP is intended for faculty members, research scholars who have interest in related research areas. The resource persons for the FDP will be drawn from in house and other nearby experienced faculty

TOPICS TO BE COVERED:

- Signal representation for DSP
- Time and Frequency domain analysis
- Signal processing for bio-medical applications
- Speech signal processing
- Image processing

ELIGIBILITY:

Faculty members of Engineering / Polytechnic colleges approved by AICTE / PG students are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.900/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: draji89@gmail.com on or before **08-04-2021** They must be submitted, in original, at the time of attending the program.

A FIVE DAY FACULTY DEVELOPMENT PROGRAMME ON
'RECENT TRENDS IN SIGNAL PROCESSING'

15-04-2021 to 19-04-2021

Organized by
Department of ECE

Resource Persons:

- 1) Dr. B.Siva Prasad, Prof of ECE, Baba Institute of Science and Technology, Visakhapatnam
- 2) Dr. K.Parvathi, Prof. of SOEE, KIIT, Bhubaneswar

CHAITANYA ENGINEERING COLLEGE

Approved by AICTE, New Delhi, Affiliated to JNTU, Kakinada

Presents this

CERTIFICATE OF PARTICIPATION

Mr. M Pavam Kumar, Asst Professor, ECE

Gonna Institute of Information, Technology, VSP

For his/her active and invaluable participation during the conduct of five-day faculty development program on "RECENT TRENDS IN SIGNAL PROCESSING" held on 15th-19th April 2021 organized by the Department of Electronics & Communication Engineering at CHAITANYA ENGINEERING COLLEGE, Visakhapatnam

INSTITUTION:

Established in 2002, Chaitanya Engineering College marks yet another effort on the part of the Chaitanya Group and is located in an over 50 acre naturally idyllic environment near Kommadi in Greater Visakhapatnam. It is approved by the All India Council for Technical Education (AICTE) and affiliated to JNT University, Kakinada. The institute is accredited by NAAC and NBA. The institute offers B.Tech. Courses in CSE, ECE, MECH, EEE and CIVIL. It also offers M.Tech. with specializations in Digital Electronics and Communication Systems, Computer Science and Engineering, Software Engineering, Machine Design, Structural Engineering and Power Systems.

The Institute is well equipped with advanced laboratories and highly qualified faculty. It regularly organizes events like seminars, workshops, FDPs, etc. for the benefit of students and the faculty so that they are abreast with the latest trends in Engineering and Technology.

A Five-Day Faculty Development Programme

(FDP)

on

**“Sustainable Developments in
Civil Engineering-The Future
Scenario”**

February 4th to 8th 2021

Organized by
Department of Civil Engineering

OBJECTIVE:

This FDP on "Sustainable Developments in Civil Engineering-The Future Scenario" is to explore various recent research areas of Civil Engineering domain like structural health monitoring, low carbon construction materials etc. The aim of this five-day FDP is to train and orient the teaching faculty members to remain abreast of the latest technologies in Civil which will be helpful to them in their graduate education leading to a research and development oriented career. This FDP is intended for faculty members, research scholars & industry personnel who have interest in related research areas. The resource persons for the FDP will be drawn from in house and other nearby experienced faculty

TOPICS TO BE COVERED:

- Structural health monitoring
- Low carbon construction materials
- Light weight structures

ELIGIBILITY:

Faculty members of Engineering / Polytechnic colleges approved by AICTE / PG students are eligible.

REGISTRATION:

Participants can confirm their registration by mailing the scanned copies of the filled registration form and a Demand Draft for an amount of Rs.600/- in favour of "The Principal, Chaitanya Engineering College" payable at Visakhapatnam, to e-mail: principal@cec.ac.in on or before **28-01-2021** They must be submitted, in original, at the time of attending the program.

CONTACT DETAILS:

*Mr.E.Vinay,
Asst.Prof. , Department of Civil
Co-ordinator,*

Report on

A 5 Day FDP Program:

‘Sustainable Developments in Civil Engineering-The Future Scenario’

A 5 Day Faculty Development Program was organized from 04th to 08th February 2021 at Chaitanya Engineering College by Civil Engineering Department. This was a 5 day Program, where the latest topics related to structural health monitoring, recycling techniques for sustainable pavements and regarding various energy efficiency techniques were discussed in detail by experienced resource persons from industry. There were 22 external as well as internal participants from various institutes. The coordinator and co-coordinator of the FDP program were

Coordinator: Mr.E.Vinay, Asst Professor

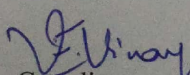

Resource Persons:

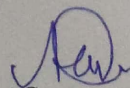

- 1) Mr,Ch Ajay, Research Scholar,Andhra University College of Engineering
Contact No: 7416568090
- 2) Mr.Eswararao,S, Assistant Professor,GITAM Institute of Engineering
Contact No: 9502327381

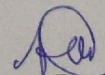

Topics Covered were:

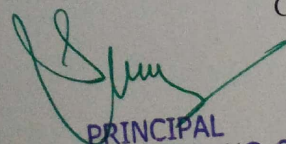

- Structural health monitoring
- Low carbon construction materials
- Light weight structures
- Pavement geotechnics
- Energy efficiency and green buildings
- Sustainability mitigation measures

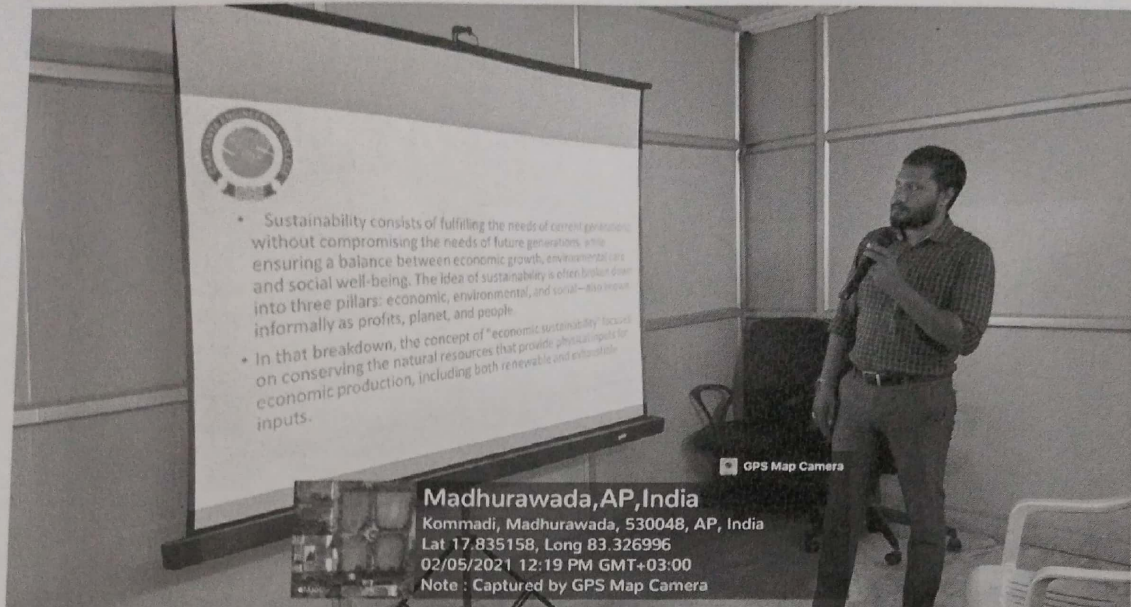

The FDP was successfully completed with certificate distribution to participants by the dignitaries and a vote of thanks by the coordinator.
