iv. Establishment of Online Grievance Redressal Mechanism

The institution has implemented an online grievance redressal system to provide an accessible and transparent platform for students and staff to submit complaints or suggestions. Through this mechanism, grievances can be submitted electronically and are reviewed by the concerned authorities. This system ensures timely resolution and proper documentation of all grievances.

v. Details of Grievance Redressal Committee in the Institution and Ombudsman by the University

The institution has constituted a Grievance Redressal Committee as per the guidelines of AICTE and the affiliating university. The committee includes the Principal as the chairperson, senior faculty members, and representatives from administration and students. In addition, an Ombudsman appointed by the affiliating university serves as an external authority for addressing unresolved grievances.

Under Graduate Programmes (B.Tech)
Civil Engineering
Electrical and Electronics Engineering
Mechanical Engineering
Electronics and Communication Engineering
Computer Science and Engineering
Computer Science and Engineering (Artificial Intelligence & Machine Learning)
Computer Science and Engineering (Artificial Intelligence)
Artificial Intelligence & Data Science

Post Graduate Programmes
M.Tech Programmes:-
  i.   CIV – Structural Engineering
  ii. MEC – Machine Design
  iii. ECE – DECS
  iv. CSE - Computer Science and Engineering
Master of Business Administration (MBA)
Master of Computer Applications (MCA)

Diploma Programmes
Diploma in Civil Engineering
Diploma in Electrical and Electronics Engineering
Diploma in Mechanical Engineering
Diploma in Electronics and Communication Engineering
Diploma in Computer Engineering

ii. Name of Programmes Accredited by NBA

At present, the programmes offered by the institution are not accredited by the National Board of Accreditation (NBA).

iii. Status of Accreditation of the Courses

The institution is functioning with the approval of AICTE and affiliated to **Jawaharlal Nehru Technological University – Gurajada Vizianagaram (JNTU-GV)**. The courses are conducted as per the norms and regulations prescribed by AICTE and the affiliating university.

At present, the programmes offered by the institution are not accredited by the National Board of Accreditation (NBA). The institution is functioning with the approval of AICTE and affiliation to JNTU-GV Vizianagaram, AndhraPradesh.

iv. Total Number of Courses

The institution currently offers programmes at **Diploma, Undergraduate, and Postgraduate levels** in engineering, management, and computer applications.

Total programmes offered by the institution include:

Engineering (B.Tech) Programmes
Postgraduate Programmes (M.Tech, MBA, MCA)
Diploma Programmes in Engineering

v. For each Programme the following details are given

Programme	Number of Seats	Duration	Cut off Marks/rank of admission during the last years
Civil Engineering	60	4 Years	
Electrical and Electronics Engineering	60	4 Years	SC/ST: - Non Zero Marks (No minimum Marks). General (OC)/ BC:- (25%) 40/160 Marks

University Common Service Fee – ₹2500 (From Second Year onwards)
Diploma Board Fee – ₹3500 per year

vii. Name and Duration of Programmes having Twinning / Collaboration with Foreign Universities

At present, Chaitanya Engineering College does **not** have any twinning or collaborative programmes with foreign universities.

viii. Nature of Collaboration

Not Applicable.

ix. Complete Details of Payment a Student has to make to get Full Benefit of Collaboration

Not Applicable.

x. For each Programme Collaborated provide the following

Not Applicable.

xi. Programme Focus

The programmes offered by the institution focus on providing strong theoretical knowledge, practical exposure, and industry-oriented skills. The curriculum is designed as per the regulations of the affiliating university and emphasizes technical competence, innovation, and professional ethics.

xii. Number of Seats

The intake capacity for each programme is approved by AICTE and is periodically revised as per institutional requirements and regulatory guidelines.

xiii. Admission Procedure

Admissions to the undergraduate programme **B.Tech** are made through **EAPCET / ECET**, while admissions to postgraduate programmes such as **M.Tech, MBA, and MCA** are made through **PGECET and ICET** conducted by the Andhra Pradesh State Council of Higher Education (APSCHE). Diploma admissions are conducted through **POLYCET / SBTET** as per state government regulations.

xiv. Fee (as approved by the State Government)

The fee structure for all programmes is determined by the **State Government / Fee Regulatory Committee** and implemented as per the guidelines issued by the Government of Andhra Pradesh.

xv. Whether the Collaboration Programme is approved by AICTE

The institution currently **does not offer any collaborative programmes with foreign universities**; hence this provision is not applicable.

18.7 Faculty
i. Course / Branch wise list of Faculty Members

Department-wise faculty details are maintained by the institution and are available in institutional records.

ii. Permanent Faculty

The institution has a strong team of permanent faculty members who are responsible for academic delivery, curriculum implementation, research activities, and student mentoring. Faculty members are recruited following AICTE norms and are encouraged to participate in faculty development programmes, workshops, conferences, and research activities.

Total Number of Permanent Faculty: 162

Faculty members are distributed across various departments to ensure effective teaching-learning processes and academic excellence.

iii. Adjunct Faculty

The institution invites experts from industry, academia, and research organizations as adjunct faculty to enhance practical knowledge and industry exposure for students. These experts deliver guest lectures, workshops, and training programmes to bridge the gap between academic learning and industry requirements.

At present, adjunct faculty are invited on need basis to support specialized courses, seminars, and industry-oriented training programmes.

iv. Permanent Faculty: Student Ratio 1:17

The institution maintains the faculty-student ratio as prescribed by AICTE norms.

This ratio ensures effective teaching-learning processes, proper academic mentoring, and continuous evaluation of students. The availability of adequate faculty strength enables the institution to maintain quality education and personalized academic guidance.

iii. **Unique ID** : 1-472993817

iv. **Educational Qualifications**: M.Tech., Ph.D.

v. **Work Experience**: 25 Years

vi. **Teaching / Research / Industry / Others**: 25 Years (Teaching)

vii. **Area of Specialization**: Electronics and Communication Engineering (ECE)

viii. **Courses taught at Diploma / Post Diploma / Under Graduate / Post Graduate Level** : ECE subjects for Undergraduate (UG) and Postgraduate (PG) programmes

ix. **Research Guidance (Number of Students)** : Nil

x. **No. of papers published in National / International Journals / Conferences** : 2

xi. **Master (Completed / Ongoing)** : Completed

xii. **Ph.D. (Completed / Ongoing)** : Completed

xiii. **Projects carried out**: Nil

xiv. **Patents (Filed & Granted)**: Nil

xv. **Technology Transfer**: Nil

xvi. Research Publications(No. of Papers published in National/International Journals/Conferences): 2

xvii. **No. of Books published with details (Name of the book, Publisher with ISBN, year of publication, etc.)** : 1

18.9 Fee

i. **No. of Fee waivers granted with amount and name of students** :
Fee waivers are provided to eligible students as per the **Government of Andhra Pradesh**

scholarship schemes and fee reimbursement policies. Details of beneficiaries and amounts are maintained in the institutional records.

ii. **Number of scholarships offered by the Institution, duration and amount** :
Scholarships are provided to eligible students under various **Government of Andhra Pradesh welfare schemes such as Post-Matric Scholarship and Fee Reimbursement**. The duration and amount are determined by the Government as per the applicable scheme guidelines.

18.10 Admission

i. **Number of seats sanctioned with the year of approval**:
The intake capacity for various programmes offered by the institution is approved by **All India Council for Technical Education (AICTE)** and the affiliating university **JNTU-GV Vizianagaram**. The sanctioned intake for each programme is as per the approval granted by AICTE from time to time.

ii. **Number of students admitted under various categories each year in the last three years** :
Admissions to various programmes are made through the **state level entrance examinations conducted by APSCHE** and the details of admitted students under various categories are maintained in the institutional records.

iii. **Number of applications received during last year for admission under Management Quota and number admitted** :
Admissions under the management quota are made as per the rules and regulations prescribed by the **Government of Andhra Pradesh and APSCHE**. The details of applications received and admissions made are maintained in the institutional records.

18.11 Admission Procedure

i. **Mention the admission test being followed, name and address of the Test Agency / State Admission Authorities and its URL (website)** :
Admissions to the undergraduate programmes are conducted through **Engineering, Agriculture and Pharmacy Common Entrance Test (EAPCET)** conducted by **Andhra Pradesh State Council of Higher Education (APSCHE)**.
Admissions to postgraduate programmes are conducted through **PGECET and ICET** examinations conducted by APSCHE.
Diploma admissions are conducted through **POLYCET** as per the rules of the State Board of Technical Education and Training (SBTET), Andhra Pradesh.

Test Agency / Admission Authority:
Andhra Pradesh State Council of Higher Education (APSCHE)
Address: Mangalagiri, Andhra Pradesh, India
Website: https://apsche.ap.gov.in

ii. **Number of seats allotted to different Test Qualified candidates separately (AIEEE/JEE/CET/State conducted test/University tests/CMAT/Association conducted test etc.)** :
Admissions are made based on **EAPCET / ECET / ICET / PGECET / POLYCET ranks** as per the guidelines issued by the Government of Andhra Pradesh and APSCHE.

iii. **Calendar for admission against Management quota seats** :
Admissions under management quota are conducted as per the schedule prescribed by the **Government of Andhra Pradesh and the affiliating university**.

iv. **Last date of request for applications**:
As per the schedule notified by the **State Government / APSCHE**.

v. **Last date of submission of applications**:
As per the schedule announced by the **State Admission Authorities**.

vi. **Dates for announcing final results**:
Results of entrance examinations are declared by the **respective examination authorities such as APSCHE**.

vii. **Release of admission list (main list and waiting list shall be announced on the same day)** :

viii. **Date for acceptance by the candidate (time given shall in no case be less than 15 days)** :
Candidates are required to confirm their admission within the time period specified during the **counselling and seat allotment process**.

ix. **Last date for closing of admission & Starting of the Academic session** :
Admissions are closed and academic sessions commence as per the **academic calendar issued by the affiliating university JNTU-GV Vizianagaram**.

x. **The waiting list shall be activated only on the expiry of date of main list** :
Waiting list admissions, if any, are conducted as per the rules and regulations prescribed by the **State Government and APSCHE counselling guidelines**.

xi. **The policy of refund of the Fee, in case of withdrawal, shall be clearly notified**:
Refund of fees in case of withdrawal of admission is carried out as per the **AICTE norms and Government of Andhra Pradesh guidelines**.

18.12 Criteria and Weightages for Admission

i. **Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc.**:
Admissions to the programmes offered by the institution are based on the **state level entrance examinations conducted by APSCHE**. The admission process follows the rules and regulations prescribed by the **Government of Andhra Pradesh and the affiliating university JNTU-GV Vizianagaram**.

For undergraduate programmes, admissions are based on **AP EAPCET ranks**, while admissions to postgraduate programmes are based on **PGECET / ICET ranks**. Diploma admissions are based on **POLYCET ranks**. The weightage for admission is determined as per the guidelines issued by the respective admission authorities.

ii. **Mention the minimum Level of acceptance, if any**:
The minimum level of acceptance for admission is based on the **eligibility criteria prescribed by AICTE, the affiliating university, and the Government of Andhra Pradesh**.

For undergraduate programmes, candidates must have passed **Intermediate (10+2) with Mathematics, Physics, and Chemistry**.
For postgraduate programmes, candidates must possess a **relevant undergraduate degree from a recognized university**.

iii. **Mention the cut-off Levels of percentage and percentile score of the candidates in the admission test for the last three years** :

The cut-off ranks / scores for admission vary every year depending on the **number of applicants, seat availability, and counselling process conducted by APSCHE**. The cut-off details are maintained by the institution and are available in institutional records.

iv. **Display marks scored in Test etc. and in aggregate for all candidates who were admitted** : Admissions are made through the **centralized counselling process conducted by APSCHE**, based on the ranks obtained in the respective entrance examinations. The marks obtained in the qualifying examination and entrance test are considered during the admission process as per the rules prescribed by the admission authorities.

18.13 List of Applicants

List of candidates whose applications have been received along with percentile / percentage score for each of the qualifying examinations in separate categories for open seats :

Admissions to the programmes offered by the institution are conducted through the **centralized counselling process organized by the Andhra Pradesh State Council of Higher Education (APSCHE)** based on the ranks obtained in the respective entrance examinations such as **EAPCET, ECET, ICET, PGECET and POLYCET**.

The list of candidates who have applied and their percentile / percentage scores in the qualifying examinations are maintained by the **State Admission Authorities and the institution**. The category-wise details of applicants for open seats are available in the institutional records.

List of candidates who have applied along with percentage and percentile score for Management quota seats (merit wise) :

Applications received for admissions under **Management Quota seats** are considered based on merit and eligibility criteria prescribed by the **Government of Andhra Pradesh, AICTE and the affiliating university**.

The list of applicants along with their percentage / percentile scores is maintained by the institution and the admissions are made strictly in accordance with the prescribed rules and regulations.

18.14 Results of Admission Under Management Seats / Vacant Seats

i. **Composition of selection team for admission under Management Quota** :
Admissions under Management Quota are carried out by a **Selection Committee constituted by the institution** in accordance with the guidelines of the **Government of Andhra Pradesh, AICTE and the affiliating university (JNTU-GV Vizianagaram)**.

The committee generally consists of the **Principal, senior faculty members and administrative representatives** of the institution.

ii. **List of candidates who have been offered admission**:
The list of candidates who have been offered admission under **Management Quota / Vacant seats** is prepared strictly based on **merit and eligibility criteria prescribed by the regulatory authorities**.

The details of admitted candidates are maintained in the **institutional admission records**.

iii. **Waiting list of the candidates in order of merit to be operative from the last date of joining of the first list candidate**:
A **waiting list of eligible candidates** is prepared in order of merit. The waiting list is activated

only after the last date of joining of the candidates in the main admission list, as per the rules prescribed by the **Government of Andhra Pradesh and the affiliating university**.

18.15 Information of Infrastructure and Other Resources (Continuation)

v. Central Examination Facility, Number of rooms and capacity of each:
The institution has a centralized examination facility for conducting university examinations.

Number of Examination Halls: 4
Average Seating Capacity of each Hall: 120 students

vi. Online examination facility (Number of Nodes, Internet bandwidth etc.):
The institution has adequate infrastructure for conducting online examinations.

Number of Computer Nodes: 773
Internet Bandwidth: 100 Mbps
LAN and Wi-Fi connectivity available across campus.

vii. Barrier Free Built Environment for disabled and elderly persons:
The institution provides ramps, accessible pathways and washroom facilities for differently-abled and elderly persons.

viii. Fire and Safety Certificate:
The institution has obtained Fire and Safety Certificate from the competent authority and necessary fire safety equipment such as fire extinguishers are installed across the campus.

ix. Hostel Facilities:
Separate hostel facilities are available for boys and girls.

Boys Hostel Capacity: 200
Girls Hostel Capacity: 150

x. Number of Library books/ebooks/Titles/Journals available (Programme-wise):

Total Number of Books: 35707
Number of Titles: 5027
Number of National Journals: 60
Number of International Journals: 8

xi. List of online National/International Journals subscribed:
The institution subscribes to national and international journals through digital library platforms.

xii. National Digital Library (NDL) subscription details:
The institution is a member of the National Digital Library of India (NDLI) and students and faculty members have access to digital learning resources.

xiii. List of Major Equipment/Facilities in each Laboratory/Workshop:
All laboratories and workshops are equipped with necessary equipment as per the curriculum requirements of respective departments.

xiv. List of Experimental Setup in each Laboratory/Workshop:
Experimental setups required for conducting practical experiments are available in all departmental laboratories.

xv. Innovation Cell:
The institution has established an Innovation Cell to encourage students in research, innovation and startup activities.

xvi. Social Media Cell:
The institution has a Social Media Cell to manage digital communication and outreach activities.

xvii. Compliance of Academic Bank of Credit (ABC):
The institution follows Academic Bank of Credits (ABC) guidelines as per UGC regulations.

xviii. Short video of infrastructure:
Short videos (1–2 minutes) showcasing infrastructure and facilities are uploaded on the institutional website.

xix. Games and Sports Facilities:
The institution provides indoor and outdoor sports facilities including cricket, volleyball, badminton and other games.

xx. Teaching Learning Process:
The institution follows modern teaching learning practices including classroom teaching, laboratories, seminars, project work and ICT enabled learning.

xxi. For each Post Graduate Courses give the following:

The institution offers the following Post Graduate programmes approved by AICTE and affiliated to the university. Each programme has an **intake of 12 seats**.

1. Master of Business Administration (MBA)
2. Master of Computer Applications (MCA)
3. M.Tech – Structural Engineering (Civil Engineering)
4. M.Tech – Machine Design (Mechanical Engineering)
5. M.Tech – Digital Electronics and Communication Systems (ECE)
6. M.Tech – Computer Science and Engineering (CSE)

xxii. Title of the Course

1. Master of Business Administration (MBA)
2. Master of Computer Applications (MCA)
3. M.Tech – Structural Engineering
4. M.Tech – Machine Design
5. M.Tech – Digital Electronics and Communication Systems
6. M.Tech – Computer Science and Engineering

xxiii. Laboratory facilities exclusive to the Post Graduate Course

MBA
Computer laboratory with internet connectivity, management software tools and digital learning resources are available.

MCA
Dedicated computer laboratories with modern computing systems, programming software and high-speed internet connectivity are available.

M.Tech – Structural Engineering (Civil Engineering)
Structural Engineering Laboratory equipped with Universal Testing Machine, Compression Testing Machine, Non-Destructive Testing equipment and structural analysis software.

M.Tech – Machine Design (Mechanical Engineering)
Advanced CAD/CAM Laboratory with design and simulation software, materials testing equipment and mechanical design facilities.

M.Tech – Digital Electronics and Communication Systems (ECE)
Advanced Communication Laboratory, Digital Signal Processing Lab, Microprocessor and Embedded Systems Laboratory.

M.Tech – Computer Science and Engineering (CSE)
Advanced Computing Laboratory with high-performance systems, programming tools, data analytics and networking facilities.

18.16 Enrolment and Placement details of students in the last 3 years

Academic Year	Total Students Enrolled	Students Placed	Higher Studies	Entrepreneurship
2023–24	720	210	25	3
2022–23	695	198	20	2
2021–22	670	185	18	1

The institution has a dedicated **Training and Placement Cell** which organizes training programmes, internships, industry interactions and campus recruitment drives to enhance employability of students.

18.17 List of Research Projects / Consultancy Works

Faculty members of the institution actively participate in research and consultancy activities.

S.No	Department	Title of Project / Consultancy	Year	Status
1	Civil Engineering	Structural Analysis of RCC Buildings	2023	Completed
2	Mechanical Engineering	Design Optimization of Machine Components	2022	Completed
3	ECE	IoT Based Smart Monitoring System	2023	Ongoing
4	CSE	Machine Learning Based Data Analysis	2022	Completed

The institution encourages faculty members and students to undertake research projects and consultancy works in collaboration with industries and research organizations.

18.18 MoUs with Industries

The institution has signed Memorandums of Understanding (MoUs) with various industries to strengthen industry–institution interaction, internships, training programmes and collaborative research activities.

These MoUs help students gain industry exposure through internships, workshops, guest lectures and placement opportunities.
